*Radiance* Collection  
from Viva Lift

---

With Heat  
&  
Memory Button  
Hand Control  
along with  
True Infinite Position

# Radiance PLR

## Heat and Memory hand control

Experience the warmth of the **Radiance Collection** from VivaLift!® Power Recliners. With **Three** different heating pads in the seat and backrest, you can adjust your heat level accordingly and soothe your tired muscles. There are 2 heat pads in the back rest, and 1 heat pad on the seat.

3 Heat pads are located in the;  
Shoulder  
Lumbar  
Seat

There are 2 memory buttons on the hand control. Find the desired position you like then hold down the 2 memory buttons at the same time until the hand controller starts flashing. When it starts flashing press one of the memory buttons to save your favorite position. You can save two of your favorite positions on the hand control.

Trendelenburg Position

# Radiance PLR

Whether you cozy up with a hot beverage and your favorite book or kick back for a relaxing evening of television, this power recliner is right for you! Experience the warmth of the **Radiance Collection** from VivaLift!® Power Recliners. With three different heating pads in the seat and backrest, you can adjust your heat level accordingly and soothe your tired muscles. Keep your smart phone close at hand while you charge it with the wireless charging station. And if the power goes out, know you have peace of mind that the lithium battery backup will keep the chair operational for a period of time.

The Radiance can achieve a Zero Gravity position and a Trendelenburg position where your feet are above your chest.

The **Radiance** comes in 4 different sizes that will accommodate almost everyone's size. The chair has a 400lb weight capacity.
